LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 05-014

Dear Mr. Fosher:

As a result of an inspection conducted on April 6, 2005, the Department of Environmental Services, Waste Management Division (DES) issued Letter of Deficiency No. WMD 05-014 to you. Based on submittals by John Stowe of Nixon Site & Demolition in response to this Letter of Deficiency, and a follow-up inspection by DES personnel conducted on November 1, 2005, DES has determined that you have corrected the deficiencies identified in Letter of Deficiency No. WMD No. 05-014.

Please be advised that DES will continue to monitor your compliance status and will take appropriate action should other violations be observed.

This letter does not provide relief for or otherwise address any other deficiencies that may now exist or that may arise.

If you have any questions regarding this Letter of Compliance, please contact Carl Woodbury at (603) 271-3899. We appreciate your cooperation in resolving this matter.

Sincerely,
