LETTER OF COMPLIANCE
FOR
LETTER OF DEFICIENCY
No. WMD 06-008

Attn: Jim Dedeus, President

Re: JMD Industries, Inc.
Hudson, New Hampshire
EPA ID # NHD982716227

Dear Mr. Dedeus:

On March 7, 2006 the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of JMD Industries, Inc. ("JMD"). The purpose of the inspection was to determine the JMD's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, JMD was issued Letter of Deficiency No. WMD 06-008 (the "LOD"). Based upon a review of JMD's submittals received on May 19, 2006 and August 3, 2006, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor JMD's compliance status through record reviews and on-site inspections. This Letter of Compliance does not release JMD from liability for penalties to which it may be subject for the violations identified in the LOD.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

John J. Duclos, Administrator
Hazardous Waste Compliance Bureau
Waste Management Division
