**LETTER OF DEFICIENCY**
**No. WD WWEB/C 06-009**

Dear Mr. Bilodeau:

The Department of Environmental Services, Water Division, Wastewater Engineering Bureau (DES) reviewed the actions taken by the Lancaster Grange Wastewater Treatment Facility (Facility) in their June 21, 2006 response to Letter of Deficiency No. WD WWEB/C 06-009. DES determined that the issues addressed in the Letter of Deficiency have been resolved in a manner consistent with the Water Division regulations and NPDES permit requirements. The Facility should continue with the actions listed in the June 21, 2006 correspondence from the Facility. At this time, no further response from the Town is necessary. Therefore, DES hereby issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of the Facility, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact Roy D. Gilbreth at 271-1494. Thank you for your cooperation.

Sincerely,
