

CHAPTER Env-Hw 600 REQUIREMENTS FOR HAZARDOUS WASTE TRANSPORTERS

REVISION NOTE:

Document #9367, effective 1-28-09, readopted with amendments and redesignated the former Chapter Env-Wm 600 as Env-Hw 600. The redesignation from subtitle Env-Wm to Env-Hw was done pursuant to a rules reorganization plan for Department rules approved by the Director of the Office of Legislative Services on 9-7-05. Document #9367 replaces all prior filings for hazardous waste rules formerly in Chapter Env-Wm 600. The numerals of the rules remained unchanged, and the source note information for the rules under Document #9367 refer to those same numbers under the subtitle Env-Wm.

PART Env-Hw 601 APPLICABILITY AND EXEMPTIONS

Env-Hw 601.01 Applicability.

(a) Env-Hw 600 shall apply to all persons transporting hazardous wastes within or through New Hampshire, including hazardous waste destined for recycling.

(b) In addition to the requirements of Env-Hw 600, a transporter shall comply with the following:

(1) Generator requirements of Env-Hw 500, if the transporter:

a. Transports hazardous waste into the United States from abroad; or

b. Mixes hazardous wastes of different DOT shipping descriptions by placing them into a single container;

(2) Transfer facility requirements of Env-Hw 300 and Env-Hw 700, if the transporter operates a transfer facility as defined in Env-Hw 104; and

(3) Storage facility requirements of Env-Hw 300 and Env-Hw 700, if the transporter stores hazardous waste in excess of 10 days.

Env-Hw 601.02 Exemptions.

(a) Env-Hw 600 shall not apply to the on-site transportation of hazardous wastes by generators or by owners or operators of permitted hazardous waste facilities.

(b) Env-Hw 600 shall not apply to small quantity generators who self-transport 55 gallons or less of their own hazardous waste provided that:

(1) The waste is transported in:

a. Containers meeting the DOT specifications for hazardous materials; and

b. Full, sealed, labeled containers, which are compatible with the waste;

(2) Except as provided in Env-Hw 501.02(c), all manifest requirements of Env-Hw 510 and Env-Hw 604 are met;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(3) The generator has a mechanism for financial responsibility in the following amounts:

- a. For bodily injury or death of each person in any one accident, \$50,000.00; and
- b. For loss or damage in any one accident to the property of others, \$50,000.00; and

(4) Except as provided in Env-Hw 511.01(f), the waste is transported to a facility authorized under the destination state's rules to handle the hazardous waste.

(c) Env-Hw 600, including the conditions of (b)(1)-(4), above, shall not apply to government entities that accumulate household hazardous waste and transport this waste in accordance with Env-Hw 501.02(b).

(d) Env-Hw 600 shall not apply to universal waste handlers and universal waste transporters transporting universal waste, provided that the waste is managed in accordance with Env-Hw 1100.

PART Env-Hw 602 TRANSPORTER REGISTRATION

Env-Hw 602.01 Transporter Registration Requirements.

(a) No person shall transport hazardous waste into or within the state of New Hampshire without having a transporter registration issued by the department in accordance with Env-Hw 609.

(b) A copy of the transporter's registration confirmation letter shall be displayed upon request of any peace officer or authorized employee of the department.

(c) No person shall neglect or refuse to display said registration confirmation letter nor refuse to surrender it to such officials for examination.

PART Env-Hw 603 GENERAL REQUIREMENTS

Env-Hw 603.01 Notification.

(a) All hazardous waste transporters who operate from a New Hampshire location shall notify the department prior to conducting any hazardous waste activities covered under the hazardous waste rules.

(b) Subject to (c), below, all transporters that have not previously notified the department shall do so within 30 days of the effective date of any statutory or regulatory amendments which require the transporter to be registered as a New Hampshire hazardous waste transporter.

(c) If a statute sets a different deadline for notification, the statutory deadline shall control.

Env-Hw 603.02 Notification Information Requirements.

(a) Notification shall be done by completing a New Hampshire notification form, including the following information:

- (1) Company name and mailing address;
- (2) New Hampshire business location address;
- (3) Contact person, title, and telephone number, and, if available, e-mail address and fax number;
- (4) Transportation method;
- (5) Types of hazardous waste which will be transported; and
- (6) Certification as to the accuracy of the information provided on the notification form.

(b) All transporters shall notify the department in writing of any changes to the information provided pursuant to (a), above, within 30 days of such a change.

Env-Hw 603.03 Notification Determination.

(a) If the department, upon examination of a New Hampshire notification form, finds that the information submitted fails to meet the requirements of Env-Hw 603.02, the department shall notify the transporter in writing of the deficiency.

(b) Such notice shall specify the grounds on which the notification form is deficient.

(c) The transporter shall have 30 days from receipt to respond to such notice of deficiency and to explain or correct the alleged deficiency.

(d) If the transporter does not respond within 30 days, the transporter shall be required to re-notify and submit a new notification form.

Env-Hw 603.05 Packaging, Labeling, and Placarding.

(a) Transporters shall package and label all hazardous waste before and during shipment in accordance with (c) and (d), below, and the requirements of the New Hampshire department of safety as set forth in Saf-C 600.

(b) If a hazardous waste is removed from its container and placed in another container, or if additional hazardous waste is added to the container, the transporter shall comply with the packaging standards set forth in Saf-C 600.

(c) Prior to and during transportation, the transporter shall ensure that each container is labeled and clearly marked with the following:

- (1) The words "Hazardous Waste";
- (2) The applicable New Hampshire or EPA waste number(s); and
- (3) All applicable DOT required information as set forth in 49 CFR Part 172, 10-1-07 edition.

(d) If the label is destroyed or mutilated, if the hazardous waste is removed from its container, or if additional hazardous waste is added to the containers, the transporter shall remove or obliterate all previous labels and, as appropriate:

- (1) Replace the label with a duplicate label; or
- (2) Attach a label stating information pertaining to the hazardous waste now contained in that container.

(e) The transporter shall placard each vehicle with an appropriate warning of the hazardous waste contained therein in a manner approved by the New Hampshire department of safety as set forth in Saf-C 600.

(f) Any tank, barrel, drum, or other packaging of hazardous waste, which is not a part of the vehicle, shall be secured against movement within the vehicle on which it is being transported.

(g) Transporters shall ensure that all containers of hazardous waste are sealed prior to and during transport.

Env-Hw 603.06 Vehicle Identification.

(a) Each transporter shall display the following on both sides of all power or waste carrying units used to transport hazardous waste:

- (1) The name of the company, corporation, association, or proprietorship;
- (2) The city and state where its business office is located; and
- (3) The transporter registration number.

(b) Such lettering shall:

- (1) Be permanent and legible; and
- (2) Contrast with the background.

(c) For (a)(1) and (3), above, the lettering shall be a minimum of 3 inches high.

(d) When a vessel or vehicle which has been registered and marked changes ownership, the registrant shall permanently remove the name and transporter registration number from both sides of all power and waste carrying units transferred to the new owner prior to or upon transfer.

PART Env-Hw 604 MANIFESTS

Env-Hw 604.01 General Manifest Requirements.

- (a) The transporter shall not accept hazardous waste without an accompanied manifest signed and completed by the generator in accordance with Env-Hw 510.01, Env-Hw 510.02, and Env-Hw 510.03.
- (b) The transporter shall verify that the generator EPA identification number on the manifest is valid for the transportation of the hazardous waste listed on the manifest.
- (c) Each transporter shall sign and date all manifests.
- (d) The initial transporter shall return a signed and dated copy of the manifest to the generator before leaving the generator's property.
- (e) The transporter shall ensure that 5 copies of the manifest accompany the waste at all times during transit.
- (f) A transporter who delivers a hazardous waste to another transporter shall:
  - (1) Obtain the date of delivery and the handwritten signature of that transporter on the manifest;
  - (2) Duplicate one copy of the manifest and retain the duplicate in accordance with Env-Hw 607.01; and
  - (3) Give the remaining copies of the manifest to the accepting transporter.
- (g) Upon delivery to the designated or alternate facility, the transporter shall:
  - (1) Obtain the date of delivery and the handwritten signature of the operator of the designated or alternate facility on the manifest;
  - (2) Retain one copy of the signed manifest in accordance with Env-Hw 607.01; and
  - (3) Give the remaining copies of the signed manifest to the operator of the facility.

Env-Hw 604.03 Rail and Water Shipments.

- (a) All rail and water shipments shall comply with DOT regulations.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(b) Transporters of such shipments need not carry a manifest but shall retain a manifest or shipping paper in accordance with Env-Hw 607.03.

(c) A shipping paper containing all the information required on the manifest, excluding the generator certification and signatures, and, for exports, an EPA acknowledgment of consent, shall accompany the hazardous waste at all times.

(d) The requirements of Env-Hw 604.01(e), (f) and (g) shall not apply to transporters of bulk shipments delivered by water to the designated facility if:

- (1) The transporter delivering the hazardous waste to the initial bulk shipment water transporter:
  - a. Obtains the date of delivery and signature of the water transporter on the manifest;
  - b. Forwards the manifest to the designated facility; and
  - c. Retains a copy of the signed manifest in accordance with Env-Hw 607.01;
- (2) The final water transporter delivering the hazardous waste to the designated facility obtains the date of delivery and handwritten signature of the operator of the designated facility on either the manifest or the shipping paper; and
- (3) Each water transporter retains a copy of the manifest or shipping paper in accordance with Env-Hw 607.03.

(e) For rail shipments, transporters need not comply with the requirements of Env-Hw 604.01(e), (f) and (g), but shall meet the following requirements:

- (1) When accepting hazardous waste from a non-rail transporter, the initial rail transporter shall:
  - a. Sign and date the manifest or shipping paper, acknowledging acceptance of the hazardous waste;
  - b. Return a copy to the delivering non-rail transporter; and
  - c. Forward the remaining copies to:
    1. The next non-rail transporter, if any;
    2. The designated facility, if the shipment is delivered to that facility by rail; or
    3. The last rail transporter designated to handle the hazardous waste in the United States;
- (2) When delivering hazardous waste to a non-rail transporter, a rail transporter shall obtain the date of delivery and handwritten signature of the non-rail transporter on the manifest;
- (3) Before accepting hazardous waste from a rail transporter, a non-rail transporter shall sign and date the manifest and provide a copy to the rail transporter;
- (4) The final rail transporter delivering the hazardous waste to the designated facility shall obtain the date of delivery and handwritten signature of the operator on the manifest, or on the shipping paper if the manifest has not been received by the facility; and

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(5) All rail transporters shall retain a copy of the manifest and/or the shipping paper in accordance with Env-Hw 607.03.

Env-Hw 604.04 International Shipments.

(a) A transporter shall not accept hazardous waste intended for export if the transporter knows the shipment does not conform to the EPA acknowledgment of consent, unless:

(1) For exports that are not subject to 40 CFR 262 Subpart H, the transporter ensures that the hazardous waste is accompanied by an EPA acknowledgment of consent attached to the manifest or shipping paper in accordance with 40 CFR 263.20(a)(2), 7-1-07 edition; or

(2) For exports that are subject to 40 CFR 262 Subpart H, the transporter ensures that the waste is accompanied by a tracking document that includes all information required by 40 CFR 262.84, 7-1-07 edition.

(b) Transporters who transport hazardous waste out of the United States shall:

(1) Sign and date the manifest in the international shipments block to indicate the date the hazardous waste left the United States;

(2) Retain one copy of the manifest in accordance with Env-Hw 607.04;

(3) Return a signed copy of the manifest to the generator, the generator state, and the destination nation; and

(4) Give a copy of the manifest to the U.S. customs official at the point of departure from the United States.

PART Env-Hw 606 DELIVERY

Env-Hw 606.01 Requirements for Delivery.

(a) The transporter shall deliver the entire quantity of hazardous waste which the transporter has accepted from a generator or a transporter to:

- (1) A continuing transporter;
- (2) The designated authorized facility on the manifest;
- (3) The alternate facility designated if the hazardous waste cannot be delivered to the designated facility because an emergency prevents delivery; or
- (4) The facility outside the United States designated by the generator.

(b) The transporter shall obtain the date of delivery and the handwritten signature from the next transporter or the facility operator on the manifest or shipping paper.

(c) The transporter shall deliver hazardous waste to a destination as described in (a), above, within 10 days of the time the hazardous waste leaves the generator's facility.

Env-Hw 607.03 Rail and Water Shipments.

(a) In the case of bulk shipments delivered by water to the designated facility, each water transporter shall retain a copy of the manifest or shipping paper signed by the next transporter or designated facility for a period of 3 years from the date of acceptance by the initial transporter.

(b) In the case of rail shipments:

- (1) The initial rail transporter shall retain a copy of the manifest and the shipping paper for 3 years from the date the hazardous waste was accepted by the initial transporter;
- (2) Intermediate rail transporters shall retain a copy of the manifest or the shipping paper for the 3 year period; and
- (3) The final rail transporter shall retain a copy of the signed manifest or the shipping paper if signed by the designated facility in lieu of the manifest for the 3 year period.

#### PART Env-Hw 608 EMERGENCY ACTION/REMEDIAL ACTION

##### Env-Hw 608.01 Immediate Discharge Response Actions.

(a) In the event of any discharge of hazardous waste or of a material that when discharged becomes a hazardous waste that poses a threat to human health or the environment, including but not limited to a discharge into storm drains or sanitary sewers, onto the land, or into the air, groundwater or surface waters, the transporter shall report the discharge:

- (1) Immediately, not to exceed one hour from the discovery of the release; and
- (2) To local emergency officials and to:
  - a. The department's emergency response team at the telephone number listed in Appendix B, Monday through Friday, 8:00 a.m. to 4:00 p.m.; or
  - b. The New Hampshire state police headquarters communications unit at the telephone number listed in Appendix B, 24 hours per day.

(b) A transporter who has discharged hazardous waste also shall comply with all other applicable requirements of 40 CFR 263.30(c) or (d), 7-1-07 edition, including providing any required reports and notifications.

##### Env-Hw 608.02 Discharge Cleanup.

(a) A transporter shall immediately contain and clean up, within 24 hours, any hazardous waste discharge or any discharge of a material which when discharged becomes a hazardous waste that occurs while the hazardous waste is under the control of the transporter.

(b) If the hazardous waste discharge cannot be or is not cleaned up within 24 hours of the occurrence the transporter shall submit a clean-up plan to the department, within 5 days of the discharge.

(c) The clean-up plan shall:

- (1) Provide for the protection of human health and the environment;
- (2) Provide for the removal and proper disposal of the contamination source;
- (3) Provide for confirmatory analysis of the potentially affected media, for example, soil, groundwater, or surface water, to demonstrate the clean up is successful; and
- (4) Include a time table for completion of the clean-up plan.

(d) The department shall review the proposed clean-up plan and approve it if it determines that the clean-up plan meets the criteria set forth in (c), above.

(e) The transporter shall implement the clean-up plan as approved by the department pursuant to (d), above.

(f) Within 30 days of completion of the clean up, the transporter shall submit a report to the department detailing the actions taken.

(g) If the complete clean up can not be accomplished in accordance with (b) through (f), above, the transporter shall submit a scope of work proposal for site investigations pursuant to Env-Or 600 to evaluate the potential impacts of the release on soil and groundwater.

Env-Hw 608.03 Waiver of Manifest, Permit, and Registration Requirements for Emergency Response.

(a) In the event of a discharge during generation, transportation, treatment, storage, or disposal of a hazardous waste or material, the department shall, during the response to the event, waive any of the manifest, permit, registration or any such requirements if the waiver:

- (1) Is necessary to facilitate a prompt response; and
- (2) Will protect human health and the environment.

(b) A person shall not be required to obtain a permit for treatment or containment activities taken during immediate response to any of the following situations:

- (1) An unplanned discharge of a hazardous waste;
- (2) An imminent and substantial threat of a discharge of hazardous waste; or
- (3) A discharge of a material which, when discharged, becomes a hazardous waste.

(c) Any person who continues or initiates hazardous waste treatment or containment activities after the emergency response is over shall be subject to all applicable permitting requirements for those activities.

Env-Hw 609.04 Registration Suspension and Revocation.

(a) The department shall suspend, revoke, or refuse to renew a hazardous waste transporter's authorization to transport hazardous waste if the transporter does not comply with the criteria set forth in Env-Hw 610.02.

(b) Within 30 days of receiving a notice of the department's intent to suspend or revoke a registered transporter's authorization to transport hazardous waste in New Hampshire, the person identified on the registration may request an oral hearing before the department. The oral hearing shall be conducted as an adjudicative proceeding in accordance with the applicable provisions of RSA 541-A and Env-C 200.

(c) Within 30 days of receipt of a notice of decision by the hearing officer regarding a registered hazardous waste transporter's suspension or revocation of authorization to transport hazardous waste in New Hampshire, the transporter may appeal the notice of decision to the waste management council pursuant to RSA 21-O:14.

(d) Within 5 days of suspension or revocation, the transporter shall return all original copies of the registration confirmation letter to the department.

(e) Within 15 days of suspension or revocation, the transporter shall:

(1) Notify all New Hampshire customers served during prior year that it is not authorized to transport hazardous waste; and

(2) Publish a notice of suspension/revocation in a statewide newspaper.

PART Env-Hw 610 STANDARDS FOR HAZARDOUS WASTE TRANSPORTERS WHO TRANSPORT HAZARDOUS WASTE IN NEW HAMPSHIRE AND APPLICANTS FOR TRANSPORTER REGISTRATION

Env-Hw 610.01 Background Investigations. The department shall conduct a background investigation of the registrant or applicant to determine whether the registrant or applicant has sufficient reliability, expertise, integrity, and competence to transport hazardous waste in and through New Hampshire.

Source. #7333, eff 8-1-00; ss by #9215, INTERIM, eff 8-1-08; (See Revision Note at chapter heading for Env-Hw 600) ss by #9367, eff 1-28-09

Env-Hw 610.02 Registrant Integrity and Competence. For the purposes of suspending or revoking a transporter registration or denying a transporter renewal registration, the department shall conclude that the registrant does not have sufficient reliability, expertise, integrity, and competence to transport hazardous waste if:

- (a) The registrant transported hazardous waste without possessing a transporter registration that was current and in good standing;
- (b) The registrant fails to comply with the financial responsibility requirements of 49 CFR 387.9, 10-1-07 edition;
- (c) Issuance of the registration was based on false or misleading information;
- (d) The registrant's activities covered by the registration present an immediate and substantial threat to human health or the environment;
- (e) The registrant failed to comply with an order issued by the department or by any state relative to hazardous waste transportation, including an order to undertake corrective measures, unless the registrant is complying with the order in accordance with a compliance schedule and is current with all items;
- (f) The registrant failed to comply with an order issued by the department or by any state relative to a violation of any other statute administered by the department or by any state, unless the registrant is complying with the order in accordance with a compliance schedule and is current with all items;
- (g) The registrant owes any administrative fines to the department or to any state, unless the fines are being paid in accordance with a payment schedule and the registrant is current with all payments;
- (h) The registrant owes any fees to the department or to any state, unless the fees are being paid in accordance with a payment schedule and the registrant is current with all payments;
- (i) The registrant owes any civil or criminal penalties imposed as a result of a judicial action taken to enforce any statute or rule implemented by the department or by any state, unless the penalties are being paid in accordance with a payment schedule and the registrant is current with all payments;

(j) The registrant failed to comply with any civil or criminal restoration or restitution order imposed as a result of a judicial action taken to enforce any statute or rule implemented by the department or by any state, unless the registrant is complying in accordance with a compliance schedule and is current with all items; or

(k) Within 5 years of the renewal registration application date, the registrant has been the subject of 2 or more administrative or civil enforcement actions or one criminal enforcement action, that have not been overturned on appeal, for violation(s) of:

- (1) Any registration or permit issued by the department or by any state; or
- (2) Any statute or rule implemented by the department or by any state.

Env-Hw 610.03 Applicant Integrity and Competence. For the purposes of denying a transporter registration, the department shall conclude that the applicant does not have sufficient reliability, expertise, integrity, and competence to transport hazardous waste if:

(a) The applicant transported hazardous waste without possessing a transporter registration that was current and in good standing;

(b) The applicant fails to comply with the financial responsibility requirements of 49 CFR 387.9, 10-1-07 edition;

(c) The applicant failed to comply with an order issued by the department or by any state relative to hazardous waste transportation, including an order to undertake corrective measures, unless the applicant is complying with the order in accordance with a compliance schedule and is current with all items;

(d) The applicant failed to comply with an order issued by the department or by any state relative to a violation of any other statute administered by the department or any state, unless the applicant is complying with the order in accordance with a compliance schedule and is current with all items;

(e) The applicant owes any administrative fines to the department or to any state, unless the fines are being paid in accordance with a payment schedule and the applicant is current with all payments;

(f) The applicant owes any fees to the department or to any state, unless the fees are being paid in accordance with a payment schedule and the applicant is current with all payments;

(g) The applicant owes any civil or criminal penalties imposed as a result of a judicial action taken to enforce any statute or rule implemented by the department or by any state, unless the penalties are being paid in accordance with a payment schedule and the applicant is current with all payments;

(h) The applicant failed to comply with any civil or criminal restoration or restitution order imposed as a result of a judicial action taken to enforce any statute or rule implemented by the department or by any state, unless the applicant is complying with the order in accordance with a compliance schedule and is current with all items; or

(i) Within 5 years of the application date, the applicant has been the subject of 2 or more administrative or civil enforcement actions or one criminal enforcement action, that have not been overturned on appeal, for violation(s) of:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (1) Any registration or permit issued by the department or by any state; or
