SUBJECT: Milton Landfill, 803 White Mountain Highway, Milton, NH
Permit #DES-SW-TP-94-051;

Application for Type IB Permit Modification to install and operate a solar array at above cited closed landfill, prepared by CMA Engineers, Inc., and assigned WMD Document Log #s 16036 and 16771

Dear Mr. Gray:

The New Hampshire Department of Environmental Services, Waste Management Division (Department) has completed its review of the above-cited application to modify permit #DES-SW-TP-94-051 to approve post-closure use of the closed and capped Milton unlined landfill for installation and operation of a solar array.

The requested approval is herewith granted, per the enclosed Record of Permit Modification issued pursuant to RSA 149-M:9 and Part Env-Sw 315 of the New Hampshire Solid Waste Rules (Rules). Please review the approval to assure compliance with the terms and conditions. Please also attach a copy to the facility's permit for reference.

If you have any questions concerning this permit modification, please contact me or Paul Gildersleeve, P.E., at (603) 271-2935.

Sincerely,

Pamela Hoyt-Denison, P.E.
