

WEED CONTROL CLASS

SATURDAY, AUG. 6, 2011

LOCATION:

CLASSROOM: (3.5 hours)
NH DES Offices
29 Hazen Drive
Concord, NH 03301

**FIELD EXPERIENCE &
DIVES:** (4-8 hours)
TBA at class time

TIME:

8:30AM sharp to 12:00 Noon (Divers can arrive at 8AM for paperwork)

COST \$149:

For divers seeking Weed Control certification the \$149 cost covers the course, text and PADI c-card. Payment in full should be sent to the instructor by Monday August 1st, 2011.

**THIS COURSE IS FREE FOR TENDERS
and NON-DIVING VOLUNTEERS**

PURPOSE:

This course is designed to develop knowledge and skills needed to help combat variable milfoil and other exotic aquatic plants in New Hampshire. You will learn about control methods and how to identify, document and safely and effectively hand harvest and dispose of this and possibly other insidious weeds.

PREREQUISITES FOR DIVERS:

Certification as an Open Water Diver
15 years of age or older
Good buoyancy control
10 or more logged dives in low to zero visibility
OR be prepared to demonstrate comfort in low visibility.

PADI medical form

signed by your physician if any questions on form are answered yes.
(Forms are available on line at PADI, at PADI facilities, or from the instructor when he receives your deposit).

Dives and field training for tenders will be arranged at the class.

To Register all participants should Contact:

Ted Aldrich: Phone: 603-446-3375 or Email: weedcontroldiver@gmail.com

Checks for Weed Control Diver Certification should be made out to and sent to

Ted Aldrich at: PO Box 82, Marlow, NH 03456
