 Yes What is the proximity of the proposed use to the water supply intake? _____
 No
 Cannot be determined

4. Is the property within a Source Water Protection Area?
 Yes Describe: _____
 No
 Cannot be determined

5. Which state department holds the property?
 DOT Was the property purchased with federal highway or turnpike funds?
 Yes
 No
 DRED
 F&G
 DES
 Other: _____

NH Rivers Management and Protection Program
NH Rivers Management Advisory Committee

6. What is the nature of the request?

- Purchase
- Lease
- Easement
- Other: _____

7. Is there public access on the property?

- Yes
 - Water: Canoe/cartop or powerboat
 - Land: Fishing, hiking
- No

8. Is there existing development on the site?

- Yes Describe: _____
- No

9. Is there existing development on the adjacent sites?

- Yes What is the location of the nearest existing development? _____
Distance from property _____
- No

10. If the project proposes new development, is it consistent with existing and adjacent development?

- Yes
- No
- N/A

11. Was a site visit conducted by Program staff?

- Yes Attach a synopsis of the visit including the date to this form.
- No

Site Designations and Wildlife Considerations:

12. Are there Prime Wetlands, NWI mapped, or other mapped wetlands present on or adjacent to the site?

- Yes Attach detailed information to this form.
- No

If YES, will there be impacts to the Prime Wetlands?

- Yes
- No
- Unknown

13. Are there Natural Heritage Bureau (NHB) rare, threatened or endangered species present?

- Yes Attach NHB Information to this form.
- No

If YES, will there be impacts to the rare, threatened or endangered species?

- Yes
- No
- Unknown

NH Rivers Management and Protection Program
NH Rivers Management Advisory Committee

14. Are there cultural resources (historic sites, stone walls, etc) on site?

- Yes **Attach NH Department of Cultural Resources information to this form.**
 No
 Unknown

If YES, will there be impacts to the cultural resources?

- Yes
 No
 Unknown or N/A

15. Are there Wildlife Action Plan (WAP) critical habitats and/or associated species present?

- Yes
 No
 Unknown

If YES, will there be impacts to the critical habitats and/or associated species?

- Yes **Attach WAP information to this form.**
 No
 Unknown

16. Will there be shoreland and near shore zone modification that would degrade the environment, particularly for waterfowl and aquatic life?

- Yes **Describe: _____**
 No
 Cannot be determined

17. Does the proposed sale and/or use maintain the environment, particularly for waterfowl and aquatic life?

- Yes
 No
 Cannot be determined

18. Does the proposed sale and/or use improve the environment, particularly for waterfowl and aquatic life?

- Yes **Explain: _____**
 No
 Cannot be determined

19. Are there any other special designations?

- Yes **Explain: _____**
 No
 Unknown

Water Quality, Flooding and Recreational Considerations:

20. Is water quality test data available?

- Yes **Test Date: _____ Distance from site: _____ ft.**
Attach water quality data to this form.
 No

21. List Point sources of pollution:

- Land-based: _____
 Water-based: _____
 Cannot be determined: _____

NH Rivers Management and Protection Program
NH Rivers Management Advisory Committee

22. List Non-Point sources of pollution:

- Land-based: _____
- Water-based: _____
- Cannot be determined: _____

23. Will there be a significant adverse impact on water quality?

- Yes
- No
- Cannot be determined

24. Will there be a cumulative impact on water quality?

- Yes
- No
- Cannot be determined

25. Is there potential for vegetation removal in the shoreland?

- Yes
- No
- Cannot be determined

26. Are there potential impacts to water quality such as: steep slopes present; potential for erosion, etc.?

- Yes **Explain:** _____
- No
- Cannot be determined

27. Will there be an addition of impervious surface?

- Yes **Explain:** _____
- No
- Cannot be determined

28. Is there potential for changes in stormwater flow or runoff?

- Yes **Explain:** _____
- No
- Cannot be determined

29. Will the proposed sale and/or use provide new public or private access to the river?

- Public
- Private
- No
- Cannot be determined

30. Will the proposed sale and/or use interrupt or terminate existing access to the river?

- Yes
- No
- Cannot be determined

31. Are there observed or seasonally anticipated river or land-based recreational opportunities?

- Yes **Explain:** _____
- No
- Cannot be determined
