

3rd Annual NH Salt Symposium

“Where Commercial Salt Applicators Come to Learn About Winter Property Management”

September 13, 2016 at the Grappone Center in Concord, NH

Over 120 snow industry professionals representing 72 different companies attended the 2015 NH Salt Symposium. Come join us this fall! Your attendance will keep you up to date with snow industry technologies and Best Management Practices, and will count as continuing education credits for the NH Salt Applicator Certificate, the Snow and Ice Management's (SIMA) Certified Snow Professional Certificate, and T2 Roads Scholar Program Contact Hours.

Learn more about the event at <http://www.sima.org/nhsaltsymposium>

This year's Symposium includes:

- Vendor exhibits and demonstrations
- Salt reduction practices
- Winter maintenance research
- Business marketing
- Insurance and liability
- Liquid anti-icing
- The Salt Shaker Awards
- Door prizes and raffles

To register for the event please visit: <http://www.t2.unh.edu/nh-salt-symposium-attendee-registration>

Early Bird Registration: \$75 if paid before August 20; \$99 after that date
