

National Drive Electric Week
Electric Car Show

Saturday, September 9, 2017
8:30 AM till 1:00 PM
Concord, NH
107 North Main Street
City Plaza (in front of the State House)
Next to the Farmers Market

Come see the latest in electric cars, talk to current owners of electric vehicles, the dealers and the manufacturers. A Chevy Bolt will be available for test drives courtesy of Banks Chevrolet.

Today's EV's are competitively priced, faster, better equipped and require less maintenance than comparable Internal Combustion Engine vehicles.

Come see for yourself!
