CONCORD, NEW HAMPSHIRE

NOTICE OF TITLE V OPERATING PERMIT REVIEW
PUBLIC HEARING AND COMMENT PERIOD

Pursuant to the New Hampshire Code of Administrative Rules, Env-A 622.02, notice is hereby given that the Director of the New Hampshire Department of Environmental Services, Air Resources Division (Director), has received a Title V Operating Permit application from, and based on the information received to date, intends to **issue such Title V Operating Permit to:**

Dartmouth College

**Located at:
6111 McKenzie Hall
Hanover, New Hampshire**

Dartmouth College is an educational institution located in Hanover, New Hampshire. The college campus is composed of educational facilities, including several academic buildings and residential units owned and operated by the college. In addition, the college owns and operates a cogeneration facility at its Hanover campus. Emission sources associated with the power plant include four boilers, an emergency diesel generator, two No. 6 fuel oil storage tanks, and a gasoline service station utilized by service vehicles on the Hanover campus. Emission sources at the college's educational facilities include furnace/boiler units for building heating and hot water, several small and large capacity emergency generators for emergency lighting and running special HVAC units in libraries for historic record and book preservation, several small space heating units, several chillers, several small capacity fuel storage tanks, and several HVAC systems for each of the buildings.

The completed application and draft permit is on file with the Director, New Hampshire Department of Environmental Services, Air Resources Division, 29 Hazen Drive, P.O. Box 95, Concord, NH 03302-0095, (603) 271-1370. Information may be reviewed at the office during working hours from 8 a.m. to 4 p.m., Monday through Friday. Additional information may also be obtained by contacting **Sheila Rydel** at the above address and phone number. Requests for a public hearing and/or written comments filed with the Director in accordance with Env-A 622.05, and received no later than **September 16, 2019**, will be considered by the Director in making a final decision.

Craig A. Wright
Director
Air Resources Division
