May 31st, 8:00 am – 3:30 pm

(networking reception to follow until 4:30 pm)

The Manchester Downtown Hotel (formerly Radisson Hotel)

Manchester, NH

[Register Now!](#)

On May 31st, the [Business and Industry Association](#) and the [New Hampshire Department of Environmental Services](#), in partnership with the [New Hampshire Municipal Association](#) and the [New Hampshire Automobile Dealers Association](#) will present a day-long conference dedicated to both air and water regulatory issues in New Hampshire. The conference will run from 8:00 am - 3:30 pm followed by a networking reception until 4:30 pm at The Manchester Downtown Hotel.

The 2018 NH Air & Water Regulatory Conference is ideal for consultants, municipal officials, attorneys, and environmental compliance officers. We will focus on key development challenges facing New Hampshire and the region and look at what stakeholders can expect the regulatory environment to look like in the future. The conference offers a unique opportunity to bring federal, state, and local officials together with business leaders to examine the key issues related to understanding and achieving regulatory requirements for air and water quality in the state.

The cost to attend is \$125 per person for BIA members, BIA Capitol Connect members, NH Municipal Association members and NHADA members; and \$150 per person for future BIA members. Registration fee includes breakfast, light refreshments, lunch and reception.

Please contact [Lora McMahan](#) at 603-224-5388 x101 with any questions.

Cancellations accepted up until May 24th, after that only substitutions allowed. Online pre-registration will close on May 30th at Noon. Walk-ins may be allowed based on availability but there will be a \$25 surcharge and payment is due at the door.
