64th Highway Geology Symposium Local Committee

Krystle Pelham	NHDOT, Engineering Geologist
Charles Dusseault	NHDOT, Geotechnical Section Chief
Richard Lane	NHDOT, Engineering Geologist (Ret.)
Frederick Chormann	NHGS, NH State Geologist
Jean Benoit	UNH, Professor
Wally Bothner	UNH, Professor Emeritus
Jay Smerekanicz	Golder Associates
Peter Ingraham	Golder Associates

Symposium Sponsors

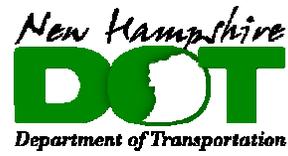

Geobruigg North America
Trumer North America, Inc.
Bentley Systems
Geokon, Inc.
Golder Associates, Inc.
GZA GeoEnvironmental, Inc.
Hi-Tech Rockfall
Zonge International, Inc.
Gannett Fleming, Inc.
Hager-Richter Geoscience, Inc.
Michael Baker, Jr., Inc.

Symposium Exhibitors

Geobruigg North America	Central Mine Equipment Co.
Trumer North America, Inc.	Foundation Technologies, Inc.
Bentley Systems	Geostabilization International
Geokon, Inc.	Chama Valley Production
Golder Associates, Inc.	Maccaferri, Inc.
GZA GeoEnvironmental, Inc.	Michael Baker, Jr, Inc.
Hi-Tech Rockfall	Monotube Pile Corporation
Zonge International, Inc.	Mount Washington Observatory
Gannett Fleming, Inc.	Pacific Blasting and Demolition, Ltd.
Hager-Richter Geoscience, Inc.	SIMCO Drilling Equipment
Ameritech Slope Constructors, Inc.	TenCate Geosynthetics
AMS, Inc.	Williams Form Engineering Corp
Association of State Boards of Geology	2014 Highway Geology Symposium

Special Thanks to:

Mount Washington Observatory
NHDOT District 3 Maintenance
New Hampshire Geological Survey
University of New Hampshire

Thank You for Attending the 64th Annual HGS Field Trip!
