CHAPTER Env-Wq 900 YOUTH CAMPS

Statutory Authority: RSA 485-A:6, IX; RSA 485-A:25

REVISION NOTE #1:

Document #9409, effective 3-12-09, readopted with amendments and renumbered former Part Env-Ws 1120 titled “Rules Pertaining to the Operation of Youth Recreation Camps” as Chapter Env-Wq 900 titled “Youth Recreation Camps”. The redesignation from subtitle Env-Ws to subtitle Env-Wq was done pursuant to a rules reorganization plan for Department rules approved by the Director of the Office of Legislative Services on 9-7-05. The prior filings for former Env-Ws 1120 included the following documents:

REVISION NOTE #2:

Document #12364, effective 9-1-17, adopted, readopted, readopted with amendments, or repealed the rules in Chapter Env-Wq 900. The existing rules in the former Chapter Env-Wq 900 which were last filed under Document #9409 did not expire on 3-12-17 since they were extended pursuant to RSA 541-A:14-a until replaced by the rules in Document #12364. Document #12364 replaces all prior filings affecting the rules in the former Chapter Env-Wq 900. The prior filings since Document #9409 include the following documents:

- | | |
|--|---------------------|
| #9967, Emergency, eff 7-29-11, Expired 1-25-12 | #10737, eff 12-2-14 |
| #10134, eff 5-23-12 | #10738, eff 12-2-14 |

Document #12364 adopted Env-Wq 902.18 defining “State fire safety code”, Env-Wq 907.12 titled “Training for YRC Staff”, and Env-C 907.13 titled “Recordkeeping and Reporting.” Document #12364 also repealed Env-Wq 902.07 defining “Certified in Responding to Emergencies.” The definitions in the existing rules Env-Wq 902.04 through Env-Wq 902.06, Env-Wq 902.08, Env-Wq 902.20, and Env-Wq 902.22 were readopted with amendments and renumbered as Env-Wq 907.01.

Document #12364 extensively renumbered the other existing rules in Chapter Env-Wq 900. These existing rules in the former Chapter Env-Wq 900 are cross-referenced below under “Former Rule” with the rules under Document #12364 listed under “New Rule”, if applicable.

The repeal of the existing rule Env-Wq 902.07 is noted. The reference “none” under “Former Rule” indicates that there was no existing rule counterpart for the rule adopted by Document #12364 and listed under “New Rule.”

PART Env-Wq 901 PURPOSE AND APPLICABILITY

Env-Wq 901.01 Purpose.

(a) The purpose of the rules in Env-Wq 903 through Env-Wq 907 is to provide an environment conducive to promoting and protecting the health and safety of all individuals who attend or provide services at a youth recreation camp.

(b) The purpose of the rules in Env-Wq 908 is to accommodate situations where strict compliance with all requirements established in this chapter may not be necessary for the protection of the safety and health of the individuals who attend or provide services at a youth recreation camp or youth skills camp.

(c) The purpose of the rules in Env-Wq 909 is to implement RSA 485-A:24, II relative to background checks for certain workers at youth skill camps.

Env-Wq 901.02 Applicability.

(a) The definitions in Env-Wq 902 shall apply throughout this chapter, provided that if a specific term is defined for youth skill camps in Env-Wq 909.03, then that definition shall apply in that part.

(b) The rules in Env-Wq 903 through Env-Wq 907 shall apply to:

- (1) All youth recreation camps as defined herein; and
- (2) Any organization or program exempt from licensing under RSA 170-E:3, I, that chooses to apply for and obtain a license under these rules.

(c) Except as provided in (b)(2), the rules in Env-Wq 903 through Env-Wq 907 shall not apply to:

- (1) Any child day care agency as defined in RSA 170-E:2, IV; or
- (2) Places, entities, and programs exempt from licensing under RSA 170-E:3, I.

(d) The rules in Env-Wq 909 shall apply only to youth skill camps as defined in Env-Wq 909.03.

Env-Wq 903.07 Application Processing.

(a) Upon receipt of an application, the department shall review the application to determine whether the application is complete.

(b) Except as provided in (e), below, if the application is not complete the department shall notify the applicant in writing of what is needed to complete the application.

(c) Upon notifying an applicant that the application is not complete, the department shall suspend further processing of the application pending receipt of the information missing from the application.

(d) No portion of the time between the date a notice is provided pursuant to (b), above, or (e), below, and the date the applicant responds shall be included in computing the time limits specified in RSA 541-A:29 for processing the application.

(e) The department shall notify the applicant by telephone in lieu of providing a written notice pursuant to (b), above, if:

- (1) The anticipated time required of the applicant to supply the missing information is less than the anticipated time required of the department to notify the applicant in writing; and
- (2) The department is able to contact the applicant by telephone.

Env-Wq 903.08 Approval Criteria.

(a) The department shall approve a YRC license application for a previously-licensed YRC if:

- (1) The applicant submitted a complete application;
- (2) The information supplied by the applicant shows that the YRC:
 - a. Is in compliance with applicable standards specified in Env-Wq 904 through Env-Wq 907 or will be in compliance prior to campers arriving at the YRC; or
 - b. Is being granted a waiver of the requirement pursuant to Env-Wq 908;

(3) If the YRC is required to submit water test results pursuant to Env-Wq 903.04(a) or (b), the test results show that the water meets applicable drinking water standards for bacteria and, if applicable, nitrates, as specified in Env-Dw 700;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(4) The YRC's New Hampshire license has not been suspended or revoked or, if the license has been suspended or revoked, the condition(s) which formed the reason(s) for the suspension or revocation have been corrected or will be addressed as provided in (a)(2), above; and

(5) The YRC has no outstanding deficiencies identified during an inspection conducted in accordance with Env-Wq 903.10.

(b) The department shall approve a YRC license application for a YRC that has not previously been licensed under these rules if:

(1) The criteria specified in (a)(1)-(3), above, are met; and

(2) The YRC passes a pre-season inspection conducted by the department.

Env-Wq 903.09 Issuance of YRC License.

(a) If the application is approved, the department shall issue a YRC license to the applicant that contains the following information:

(1) The YRC license number as assigned by the department;

(2) The name of the YRC owner;

(3) Citations to department statutes and rules that apply to the YRC's operation;

(4) The name of the YRC;

(5) The location of the YRC by street and municipality;

(6) The date the department issued the license; and

(7) A statement that the license expires at the end of the calendar year of issuance.

(b) The license shall be signed by the director of the department's division of water or the director's designee.

(c) The YRC owner shall post the YRC license in a place where it is likely to be seen by interested parties, such as state and local officials and parents or legal guardians of campers, such as the central YRC office or where official camp notices are posted.

Env-Wq 903.10 Inspection of YRC Facilities.

(a) As specified in Env-Wq 903.08(b)(2), department staff shall inspect a YRC that has not previously been licensed in New Hampshire prior to the YRC receiving a license.

(b) Department staff shall inspect each licensed YRC, while the YRC is in operation, to determine compliance with Env-Wq 904 through Env-Wq 907.

(c) If the YRC has a contained YRC campus, then at the time of the inspection, the YRC shall provide to the department a current map of the contained YRC campus that depicts the locations of utility systems, wells and other water system components, and septic tanks, dry wells, leach fields, and other components of each sewage or other wastewater disposal system.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(d) The department shall issue a written inspection report to the YRC owner and director which summarizes the inspection and identifies as a deficiency any condition that does not meet the applicable operating standard specified in Env-Wq 904 through Env-Wq 907, subject to the following:

- (1) If the YRC has received a waiver to an operating standard under Env-Wq 908, such standard shall not be identified as a deficiency; and
- (2) If the YRC was inspected prior to the arrival of campers and the YRC identified the standard as "PENDING" pursuant to Env-Wq 903.06(b)(2), such standard shall not be identified as a deficiency if the YRC explains at the time of the inspection how the condition will be brought into compliance prior to the arrival of campers.

(e) If the inspection report issued pursuant to (d), above, identifies one or more deficiencies, the YRC owner shall submit proof of compliance with the applicable standard(s) to the department when compliance has been achieved. Proof of compliance shall comprise photographs, invoices, or such other documentation as is appropriate to demonstrate compliance with the particular standard(s) at issue.

Env-Wq 903.11 Suspension or Revocation of YRC License.

(a) Upon determining that conditions exist at a YRC that could adversely affect the health or safety of the campers or YRC staff, the department shall initiate an action to suspend or revoke the YRC license in accordance with RSA 541-A:30, RSA 541-A:31, and the provisions of Env-C 200 applicable to adjudicative proceedings.

(b) After a proceeding initiated pursuant to (a), above, the department shall suspend the YRC license if the conditions:

- (1) Have adversely affected the health and safety of the campers or YRC staff or will adversely affect the health and safety of the campers or YRC staff if left uncorrected;
- (2) Resulted from accident or benign neglect; and
- (3) Can and will be corrected prior to further endangering the health and safety of the campers or YRC staff.

(c) After a proceeding initiated pursuant to (a), above, the department shall revoke the YRC license if the conditions have adversely affected the health and safety of the campers or YRC staff or will adversely affect the health and safety of the campers or camp staff if left uncorrected, and:

- (1) Were created knowingly or with reckless disregard for camper or YRC staff health and safety; or
- (2) Cannot be corrected prior to further endangering the health and safety of the campers or YRC staff.

Env-Wq 904.04 Verification of Staff Qualifications.

(a) The YRC owner shall verify that the director meets the qualifications specified in Env-Wq 904.01(e) and make a good faith effort to ensure compliance Env-Wq 904.02(d) and Env-Wq 904.03. Compliance with this section shall be evidence of good faith to ensure compliance with the applicable qualifications.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(b) Subject to (c) through (f), below, the YRC owner or director shall require all YRC staff to:

(1) Authorize or submit the results of:

- a. A criminal background check in each state where the YRC staff member has lived, which may be done through a national database if the database includes all such states; and
- b. A check of the national sex offender public registry or, if the YRC staff has lived in a state that does not participate in the national registry, a check of the sex offender public registry of each state in which the individual has resided; and

(2) Provide references and a listing of all previous employment and volunteer positions.

(c) For any counselor, CIT, or JC who is younger than 18 years old who will be left alone with a child or children, in lieu of the results specified in (b)(1), above, the individual shall provide a minimum of 2 references to the YRC operator, at least one of which is from a non-relative, attesting to their knowledge of the individual's character as it relates to whether the minor has caused or threatened to cause direct physical injury to any other individual or harm of any nature to any child or children and their opinion on whether the individual is a good candidate to work directly with campers.

(d) For any licensed health professional who is required to submit to a criminal background check in order to be licensed, the YRC owner may accept a currently-valid professional license as proof of compliance with Env-Wq 904.03.

(e) For any counselor, CIT, or JC who has not resided in the United States and who enters the country under the auspices of an organization that provides opportunities for foreign nationals to be a counselor at a camp in the United States, such as the International Camp Counselor Program (ICCP), Camp America, British University North America Club (BUNAC), Camp Leaders, or Camp Counselors USA (CC USA), the background check required to obtain the applicable visa shall meet the requirements of (b), above.

(f) For any YRC that is a certified provider under RSA 170-G:4, XVIII, the background check required for such certification may be used to satisfy the requirement of (b)(1), above.

(g) The YRC owner or, at the owner's discretion, the director, shall:

- (1) Review the results of the background checks and certifications;
- (2) Review the submitted references and previous employment and volunteer information and check a sufficient number to become satisfied as to the individual's suitability to work at the YRC; and
- (3) Conduct a personal interview with each individual hired or otherwise engaged as YRC staff.

(4) “Special needs camper” means a camper who, for any physical, psychological, or developmental reason, has one or more counselors assigned to work specifically with him or her.

(b) The YRC owner or designee shall develop a written policy to address transgender and gender non-conforming campers and staff, which may be as general or as specific as the YRC owner wants it to be.

(c) Subject to (d), below, no member of the YRC staff, including the director, counselors, activity leaders, instructors, health care providers, office personnel, managers, kitchen staff, and maintenance staff, shall enter a privacy area unless:

- (1) The privacy area is a sleeping area to which the YRC staff member is assigned;
- (2) Such entry is necessary to protect the health and safety of the occupants, such as in the case of a fire or a situation requiring urgent medical attention; or
- (3) The YRC staff member first announces his or her intent to enter and proceeds only after the occupants give audible approval.

(d) The provisions of (c), above, shall not apply to a camp attended by special needs campers if:

- (1) The YRC staff member enters the privacy area at the same time as the campers in order to assist a special needs camper;
- (2) The other campers are aware of the YRC staff member’s presence and have the opportunity to wait until the YRC staff member departs to disrobe or are otherwise provided privacy in which to disrobe; and
- (3) The camp has a written policy in place to ensure the safety of the campers in such situations and specifically covers the policy in the training provided pursuant to Env-Wq 904.02(c).

Env-Wq 907.02 Required Health Staffing: Day Camps.

(a) Subject to (b), below, a day camp that is not operated for campers who are physically or mentally disabled shall have, whenever campers are present, a YRC staff member who is certified in age-appropriate first aid/CPR/AED.

(b) When the nearest emergency medical services are greater than 20 minutes from the camp by automobile, the camp also shall have a YRC staff member who is:

- (1) Certified as an emergency medical technician (EMT);
- (2) Certified in wilderness and remote first aid;
- (3) Certified as an emergency medical responder; or
- (4) A licensed health care practitioner or physician.

(c) The YRC staff member who is certified in first aid/CPR/AED and the YRC staff member who qualifies under (b)(1)-(4) may be the same individual.

(d) The YRC staff member certified in first aid/CPR/AED whose training is used to meet the requirements of (a), above, shall have been certified or had such certification renewed within 12 months of the opening of the YRC for the season.

(e) The YRC staff member certified in a course identified in (b)(1)-(3), above, shall have been certified or had such certification renewed within 3 years of the opening of the YRC for the season.

(f) In a day camp that is operated for campers who are physically or mentally disabled, there shall be employed, and in residence in the camp at all times the camp is in operation, at least one of the following:

- (1) A licensed health care practitioner who has at least one of the certifications listed in (b)(1)-(3), above; or
- (2) A physician licensed to practice in New Hampshire.

(g) If a New Hampshire-licensed P.A. is used to satisfy the requirements of (f), above, the P.A. shall provide a copy of the written agreement with the P.A.’s supervising New Hampshire-licensed physician to the YRC.

(h) Each health staff member shall post a copy of his or her New Hampshire license(s) in a conspicuous location in the camp office or infirmary. For health care practitioners licensed in New Hampshire, a copy of the license verification as obtained through the New Hampshire board of nursing’s on-line license verification system may be substituted for a copy of the license.

(i) The YRC owner shall ensure that all health staff comply with Lab 1403.08, regarding reducing the risk of exposure to blood-borne pathogens.

Env-Wq 907.03 Required Health Equipment: Day Camps.

(a) A day camp shall have either:

- (1) A first aid cabinet as specified in Env-Wq 907.06(a)(1); or
- (2) At least one first aid kit containing such items as health staff deem necessary to address health issues likely to arise at the YRC.

(b) Excluding epinephrine auto-injectors or asthma inhalers possessed pursuant to RSA 485-A:25-b through RSA 485:25-g, all medications or prescription drugs shall be kept in a container that is:

- (1) Inaccessible to campers and unauthorized YRC staff;
- (2) Stored in a secondary container separate from food if in a refrigerator; and
- (3) Labeled with the camper's name to ensure identification of the medication.

(d) All medications belonging to YRC staff shall be stored separately from the campers' medications in a container or area that is inaccessible to unauthorized individuals.

(e) The YRC shall comply with Env-Sw 904 relative to storage and disposal of infectious waste, including sharps.

Env-Wq 907.05 Medical Supervision at Residence Camps.

(a) All residence camps shall provide by contract for 24-hour per day, 7-day per week on-call medical service and supervision of all first aid and health services in the YRC by:

- (1) A physician or APRN licensed to practice in New Hampshire; or
- (2) A hospital emergency service.

(b) If a physician or APRN licensed to practice in New Hampshire and having at least one of the certifications listed in Env-Wq 907.02(a) or (b)(1)-(3) is in residence at and employed by a YRC, the requirements of (a), above, shall be deemed to have been met.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(c) The physician or APRN under contract pursuant to (a) or (b), above, shall issue written instructions, signed by the physician or APRN, to the individual responsible for providing first aid, to be followed in the absence of the physician or APRN.

(d) The YRC owner or director shall post the instructions prepared pursuant to (c), above, in a conspicuous place in the infirmary.

(e) The YRC owner shall provide a telephone or other means of emergency communication in the YRC, or ensure that such communication is available within 10 minutes travel time from the YRC.

Env-Wq 907.06 Required Health Equipment and Facilities: Residence Camps.

(a) If the YRC is a residence camp, the director shall maintain the following first aid related items at the YRC at all times:

(1) A first aid cabinet, which shall be:

a. Kept fully equipped at all times with such items as health staff deem necessary to address health issues likely to arise at the YRC; and

b. If containing prescription or non-prescription medications, locked when not in use; and

(2) A backboard with head blocks and straps and proper immobilization equipment, such as straps, cervical collar, or blankets.

(b) Camp facilities shall include any needed isolation facilities.

(c) Where the YRC provides an infirmary building or room, such quarters shall:

(1) Be isolated from the regular living and sleeping quarters to insure both quiet to the patient and safety to others; and

(2) Not be used for any other purposes.

(d) Excluding epinephrine auto-injectors or asthma inhalers possessed pursuant to RSA 485-A:25-b through RSA 485:25-g, all prescription and non-prescription medications shall be kept in a locked container that is:

(1) Inaccessible to campers and unauthorized YRC staff;

(2) Stored in a secondary container separate from food if in a refrigerator; and

(3) Labeled with the camper's name if required by Env-Wq 907.11.

(e) All medications belonging to YRC staff shall be stored separately from the campers' medications in a container or area that is inaccessible to unauthorized individuals.

(f) The YRC shall comply with Env-Sw 904 relative to storage and disposal of infectious waste, including sharps.

Env-Wq 907.07 Required Health Staffing: Off-Site Overnight Camping.

(a) YRC staff supervising overnight camping shall carry a first aid kit equipped with such items as the YRC health staff deems necessary to address emergency situations that might occur.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(b) At least one YRC staff member on an overnight trip shall be certified in:

- (1) First aid/CPR/AED; or
- (2) Wilderness and remote first aid.

(c) Subject to (d), below, on any overnight camping trip involving boating or swimming, at least one YRC staff member shall be:

- (1) Certified as a lifeguard by the American Red Cross; or
- (2) Certified in an equivalent nationally-recognized course based on standards that are no less stringent than the lifeguard course offered by the American Red Cross.

(d) Having a YRC staff member be a certified lifeguard shall not be required if a certified lifeguard engaged by the owner or operator of the boating or swimming site or facility is on duty at the site or facility when the campers are boating or swimming, as applicable.

(e) Drinking water obtained during the trip from a source other than a public water system shall be considered as unsafe unless:

- (1) Disinfected by adding chlorine or iodine;
- (2) Filtered by the use of a drinking water filtration device intended to remove microorganisms; or
- (3) Disinfected by achieving a rolling boil for one minute.

Env-Wq 907.10 Required Health Information.

- (a) Each camper shall provide a health history and statement of health status to the director prior to entering the YRC. As specified in RSA 485-A:25-a, the examination on which the statement of health status is based may be conducted by a physician, licensed advanced registered nurse practitioner, or P.A.
- (b) The health history and statement of health status required by (a), above, shall include the following:
 - (1) A certification that the physical examination has been completed within 2 years prior to YRC entrance;
 - (2) A description of any camp activities from which the camper should be exempted for health reasons;
 - (3) Unless exempted in accordance with RSA 141-C:20-c, of immunization as specified in He-P 301.14, as reprinted in Appendix C;
 - (4) A list of all known or suspected allergies;
 - (5) If the YRC will provide food, identification of all dietary restrictions and any food allergies not listed under (4), above;
 - (6) A list of all prescribed or over-the-counter medications being taken by the camper; and
 - (7) To the extent not covered by (2) - (6), above, a description of any current physical, mental, or psychological conditions that require medication, treatment, or special restrictions or considerations while at the YRC.
- (c) The YRC owner shall retain all documentation required by (b), above, for not less than 2 years.
- (d) The YRC owner or director shall:
 - (1) Develop a written policy to establish what health information is required for YRC staff; and
 - (2) Provide a copy of the policy to any parent or legal guardian of a camper or prospective camper upon request.

Env-Wq 907.11 Administration of Medication.

- (a) The availability, use, and possession of epinephrine auto-injectors and asthma inhalers shall be as specified in RSA 485-A:25-b through RSA 485-A:25-g, as reprinted in Appendix B.
- (b) Prescription medications other than those listed in (a), above, and non-prescription medications other than topical substances shall be administered to campers only by authorized staff and only in accordance with the applicable medication order.
- (c) If a camper's parent or legal guardian provides written permission, YRC staff who have not been trained as specified in Env-Wq 907.12(a) may administer non-prescription topical substances to the camper.
- (d) Authorized staff shall administer only those prescription medications for which there is a prescription label or written directions provided by a physician or APRN who is legally authorized to write the prescription and written permission from the camper's parent or legal guardian.
- (e) Medication orders shall be valid for no more than one year.
- (f) Each medication order shall legibly display the following information:
 - (1) The camper's name;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (2) The name, strength, prescribed dose, and method of administration of the medication;
- (3) The frequency of administration of the medication, or if the medication is to be used on an as-needed basis, the information specified in (g), below; and
- (4) The dated signature of the camper's parent or legal guardian or a licensed health care practitioner for orders other than as shown on the prescription label.

(g) A medication order from a parent or legal guardian or a licensed health care practitioner regarding any medication that is to be administered as needed shall include:

- (1) The indications and any special precautions or limitations regarding administration of the medication;
- (2) The maximum dosage allowed in a 24-hour period;
- (3) The dated signature of the parent or legal guardian for topical substances and non-prescription medication; and
- (4) For orders other than as shown on the prescription label, the dated signature of the licensed health care practitioner for prescription medication.

(h) A written order regarding prescription medication shall not be changed except by a physician or a licensed health care practitioner having legal authority to prescribe.

(i) All prescription medications, including physician medication samples, shall:

- (1) Bear a label that legibly displays the information described in (f)(1)-(3), above; and
- (2) Be stored, dispensed, and administered in accordance with:
 - a. RSA 318 and requirements adopted pursuant thereto by the New Hampshire board of pharmacy; and
 - b. RSA 326-B and requirements adopted pursuant thereto by the New Hampshire board of nursing.

(j) All non-prescription medication and topical substances shall be kept in the original containers and properly closed after each use.

(k) The YRC may provide age-appropriate non-prescription topical substances, such as sunscreen, insect repellent, and over-the-counter anti-itch or anti-bacterial creams or ointments, and common non-prescription medications such as over-the-counter pain relievers and gastro-intestinal calming agents to a camper with the written permission of the camper's parent or legal guardian.

(l) Any items provided pursuant to (k), above, shall be stored and administered as specified in this section.

(m) The director shall return any remaining medication and topical substances provided by a camper's parent or legal guardian to the parent or legal guardian when the camper departs the YRC.

Env-Wq 907.13 Recordkeeping and Reporting.

- (a) For each camper receiving medication, YRC health staff shall maintain the following information on file:
- (1) For each medication prescribed for a camper, the written medication order as specified in Env-Wq 907.11 and any special considerations for administration of the medication;
 - (2) Written authorization from the camper's parent or legal guardian to administer the medication, which includes a statement that the camper has received the specific medication prior to entering the YRC;
 - (3) The name and contact information of the camper's parent or legal guardian who is to be notified if required by (d), below; and
 - (4) Any allergies the camper is known to have or is suspected to have.
- (b) The record required by (a), above, shall be updated with a written record of each dose of medication, excluding topical substances, administered to the camper.
- (c) The written record required by (a), above, shall:
- (1) Be maintained on file and made available for review by state or local health officials;
 - (2) Be completed by the YRC staff who administered the medication immediately after the medication is administered; and
 - (3) For each administered medication, include:
 - a. The name of the camper;
 - b. The date and time the medication was taken;
 - c. A notation of any deviation from the medication order provided pursuant to Env-Wq 907.11 in the administration of a medication and the reason why the medication was not taken as ordered or approved;
 - d. The dated signature of the authorized staff who administered the medication to the camper;
 - e. For administration of an as-needed medication, the reason for administration; and
 - f. Any other information that is relevant to the administration of the medication.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(d) In the event of any deviation from the administration of medication as described in (3)c., above, the director or designee shall:

- (1) Note the deviation in the record required by (c), above; and
- (2) Notify the camper's parent or legal guardian immediately.

(e) In the event of an error in the documentation of the administration of medication, the director or designee shall identify the error and provide correct information in the record as soon as the error is identified.

(f) The director shall make the records required by this section available for review by state and local health officials upon request.

PART Env-Wq 908 WAIVERS

Env-Wq 908.01 Purpose and Applicability.

(a) The purpose of this part is to accommodate situations and circumstances at youth recreation camps (YRCs) and youth skill camps (YSCs) where strict compliance with all requirements established herein may not be necessary for the protection of the safety and health of the individuals who attend or provide services at such camps.

(b) The provisions of this part shall be used to request a waiver from any requirement established in this chapter.

Source. (See Revision Notes #1 & #2 on pp. 1-2) #12364, eff 9-1-17

Env-Wq 908.02 Application.

(a) A request for a waiver shall be filed:

(1) For a waiver related to a YRC, with the application for a YRC license or as soon thereafter as the need for the waiver is identified; and

(2) For a waiver related to a YSC, as soon as the YSC operator identifies the need for a waiver.

(b) The person requesting the waiver shall include the following information with each such request:

(1) A specific reference to the section of the rule for which a waiver is being sought;

(2) A full explanation of why a waiver is necessary;

(3) A full explanation of the alternative(s) proposed to be implemented if a waiver is granted, if any;

(4) Whether the waiver is needed for a limited time and, if so, what that time period is; and

(5) A full explanation of why granting the waiver will not jeopardize the health and safety of the individuals who attend or provide services to the YRC or YSC, as applicable.

Env-Wq 908.03 Decision on Request for Waiver.

(a) Subject to (b), below, the department shall grant a waiver if it determines that granting a waiver will not jeopardize the health and safety of the individuals who attend or provide services to the YRC or YSC, as applicable. In granting a waiver, the department shall impose such conditions, including time limitations, as the department deems necessary to ensure that the health and safety of the individuals who attend or provide services to the YRC or YSC, as applicable, are protected.

(b) No waiver shall be granted if the effect of the waiver would be to waive or modify a statutory requirement, unless the statute expressly provides that the requirement may be waived or modified.

(c) If a waiver is granted, the waiver shall:

(1) Be made part of the license, if for a YRC; or

(2) Be issued in writing to the YSC operator.

(d) If the waiver request is denied, the department shall notify the person requesting the waiver in writing of the decision and the reason(s) for the decision.

PART Env-Wq 909 CERTIFICATION REQUIRED FOR YOUTH SKILL CAMPS

Statutory Authority: RSA 485-A:25, I(b)

Env-Wq 909.01 Purpose. The purpose of these rules is to implement RSA 485-A:24, II relative to operators of youth skill camps maintaining and implementing an appropriate policy regarding background checks for camp owners, employees, and volunteers who might be left alone with any child or children and certifying to the department that no such individual has a criminal conviction for the offenses listed therein.

Source. (See Revision Notes #1 & #2 on pp. 1-2) #12364, eff 9-1-17

Env-Wq 909.02 Applicability.

(a) These rules shall apply to all youth skill camps as defined in Env-Wq 909.03(i).

(b) These rules shall not apply to:

(1) Any recreation camp as defined in RSA 485:23, I, and regulated under Env-Wq 903-907;

(2) Any child day care agency as defined in RSA 170-E:2, IV;

(3) Any private home in which a skill is taught to a child pursuant to an agreement between the child's parent or guardian and the instructor; and

(4) Any class or program that otherwise would qualify as a youth skills camp as defined in Env-Wq 909.03(i) that is conducted or offered by an educational institution regulated under Title XV of New Hampshire's codified statutes, including public and nonpublic institutions, provided that:

a. A criminal history records check as described in RSA 189:13-a is completed on each employee and volunteer of the public or nonpublic institution who might be left alone with a child or children during the class or program; and

b. A check of the national sex offender public registry is completed for each employee and volunteer covered by a. above.

(c) As provided in RSA 485-A:24, II(c), any individual or entity that owns property on which a YSC operates or that owns buildings or structures in which a YSC operates in whole or in part shall not be required to conduct background checks and submit certifications to the department, provided such person or entity obtains written certification signed by the YSC operator stating that background checks have been completed in accordance with RSA 485-A:24, II.

Source. (See Revision Notes #1 & #2 on pp. 1-2) #12364, eff 9-1-17

Env-Wq 909.03 Definitions. For purposes of this part, the following definitions shall apply:

(a) "Camp staff" means the owner and operator of a youth skill camp and any employee, volunteer, or other individual employed or otherwise associated with the youth skill camp, whether for pay or not, to interact directly with youths in a setting where a single staff member might be left alone with any child or children;

(b) "Child" mean an individual under 18 years of age;

(c) "Background check policy" means the policy required by RSA 485-A:24, II(a) relative to background checks for all camp staff who might be left alone with any child or children;

(d) "Minor" means an individual under 18 years of age;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (e) “Program” as used in the definition of “youth skill camp” means a specific curriculum that:
 - (1) Has been developed by individuals knowledgeable and experienced in the field to impart a specific skill over a period of 3 or more consecutive days; and
 - (2) Is taught by at least one instructor who is knowledgeable and experienced in the skill being imparted;

(f) “State of residence” means a state in which an individual who is subject to the background check required by RSA 485-A:24, II currently lives or has lived, whether on a permanent or temporary basis, after attaining the age of 18 years;

- (g) “Validated database” means a database that includes:

- (1) Felonies and misdemeanors in each state other than New Hampshire; and
- (2) Felonies in New Hampshire;

- (h) “Youth” means a minor who attends a youth skill camp;

(i) “Youth skill camp (YSC)” means “youth skill camp” as defined in RSA 485-A:23, II, as reprinted in Appendix B, that is not also a recreation camp as defined in RSA 485-A:23, I;

(j) “YSC operator” means the person that has primary responsibility for the day-to-day operation and management of a YSC. The YSC operator might also be the YSC owner; and

(k) “YSC owner” means the person that owns and is ultimately responsible for the operation and management of a YSC. The YSC owner might also be the YSC operator.

Env-Wq 909.04 Required Background Check Policy.

(a) The background check policy required by RSA 485-A:24, II(a) shall be adequate to ensure that no camp staff has a criminal conviction for any of the offenses listed therein, specifically:

- (1) Causing or threatening direct physical injury to any individual; or
- (2) Causing or threatening harm of any nature to any child or children.

- (b) A background check policy shall be deemed to meet the requirement of (a), above, if it:

(1) Requires all camp staff who might be left alone with a child or children to be subject to a background check, as described in Env-Wq 909.05, prior to initially being left alone with a child or children and not less than once in each calendar year thereafter;

(2) Prohibits any staff member who has not been subject to the required background check from working directly with any youth(s) unless a staff member for whom the background check has been completed is also present;

- (3) Requires the YSC operator to review:

a. The results of the background checks and certifications, for compliance with the established YSC policy and RSA 485-A:24, II; and

b. Any references, employment history, and volunteer history submitted by or for each camp staff member, to determine whether to allow the individual to work directly with youths at the YSC;

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(4) As required by RSA 485-A:24, II(e), identifies the frequency of the background checks and the sources used to conduct the background checks; and

(5) Requires the YSC operator to maintain an up-to-date listing of all staff members who are in a position such that it is possible they could be left alone with children, together with the status of their background checks.

(c) As specified in RSA 485-A:24, II(d), a background check policy may include more stringent requirements for background checks than specified in (b), above, provided:

(1) The requirement of (a), above, is met; and

(2) The more stringent requirements are explicitly identified in the policy and in the certification explained in Env-Wq 909.07.

Env-Wq 909.05 Background Checks.

(a) Subject to (b) through (d), below, the background check required by each YSC's background check policy shall comprise:

(1) A criminal background check in each state of residence of the potential staff member, which may be done through a validated database that includes current information for each such state of residence or through the state identification bureau of each state of residence; and

(2) A check of the national sex offender public registry.

(b) For any volunteer or employee younger than 18 years old who will be left alone with a child or children, the background check policy shall require the minor to provide a minimum of 2 written references to the YSC operator, at least one of which is from a non-relative, attesting to their knowledge of the minor's character as it relates to whether the minor has caused or threatened to cause direct physical injury to any individual or harm of any nature to any child or children and their opinion on whether the minor is a good candidate to work directly with youth.

(c) For any licensed health professional who is required to submit to a background check in order to be licensed, the YSC operator may accept a currently-valid professional license as proof of compliance with this part if the background check:

(1) Includes both elements required by (a), above, provided that if the background check required for licensure does not include a check of the national sex offender public registry then the professional license shall be accepted only for compliance with (a)(1), above; and

(2) Was performed or validated within the prior 12 months.

(d) For any camp staff who has not resided in the United States and who enters the country under the auspices of an organization that provides opportunities for foreign nationals to be a counselor at a camp in the United States, such as the International Camp Counselor Program (ICCP), Camp America, British University North America Club (BUNAC), Camp Leaders, or Camp Counselors USA (CC USA), the background check policy shall allow the YSC operator to rely on the background check that is required to obtain the applicable visa.

Env-Wq 909.07 Required YSC Certification.

(a) The YSC operator shall make the certification required by RSA 485-A:24, II(a) by providing the following information on a form obtained from the department:

- (1) The calendar year for which the certification is being made;
- (2) The complete legal name of the YSC, including any trade name or other name used by the YSC;
- (3) The municipality of each location in New Hampshire where the YSC operates or will operate;
- (4) The name, primary mailing address, physical address if different, and daytime telephone number, including area code, of the YSC operator and an e-mail address, if any;
- (5) If the YSC operator is other than an individual, the name, title, daytime telephone number, and, if available, e-mail address for an individual authorized by the YSC operator to act on the operator's behalf;
- (6) If the YSC operator is not the YSC owner, the name, primary mailing address, and daytime telephone number, including area code, of the YSC owner and an e-mail address, if any;
- (7) The YSC web or social media network site address(es), if any; and
- (8) The anticipated number of sessions to be offered, the anticipated length of each session, and the general area in which a skill will be taught, such as computer programming, music, or a specific sport.

(b) The YSC operator or authorized representative shall sign and date the completed certification form and print or type his or her name on the certification form prior to submitting it to the department.

(c) The signature required by (b), above, shall constitute certification that:

- (1) The signer is the YSC operator or has been authorized by the YSC operator to sign the certification;
- (2) A background check policy that meets the requirements of RSA 485-A:24, II and Env-Wq 909 is in place;
- (3) Background checks for the camp staff who might be left alone with a child or children have been conducted and reviewed as required by RSA 485-A:24, II and Env-Wq 909;
- (4) Background checks will be conducted and reviewed for all new camp staff brought on after the date of the initial certification as required by RSA 485-A:24, II and Env-Wq 909;
- (5) The information provided is true, complete, and not misleading to the knowledge and belief of the signer; and
- (6) The signer understands that he or she is subject to the penalties for unsworn falsification specified in RSA 641:3 or any subsequent statute if the information is false, incomplete, or misleading.

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

(d) If any camp staff is added subsequent to filing the required certification, the YSC operator shall conduct a background check for such staff prior to the staff working directly with any youth(s) unless a staff member for whom the background check has been completed is also present.

(e) The YSC operator shall submit the required certification form:

(1) Prior to any youth arriving at the YSC in each calendar year that the YSC operates; and

(2) Subject to (f), below, with the fee required by RSA 485-A:24, II(b), which if paid by check or money order shall be made payable to “Treasurer - State of New Hampshire”.

(f) No fee shall be required if the YSC operator is a political subdivision.

(g) The required certification shall be valid only for the calendar year in which it is submitted.

APPENDIX B: STATUTORY DEFINITIONS AND RELATED STATUTORY PROVISIONS

RSA 141-A:2

VI. “Communicable disease” means illness due to a microorganism, virus, infectious substance, biological product that may be engineered as a result of biotechnology, or any naturally occurring or bioengineered component of any such microorganism, virus, infectious substance, or biological product, which may be transmitted directly or indirectly to any person from an infected person, animal or arthropod (including *insecta* or *arachnida*) or through the vehicle of an intermediate host, vector, or inanimate environment.

RSA 153:1

VI-a. “New Hampshire fire code” or “state fire code” means the adoption by reference of the Life Safety Code 2015 edition and the Uniform Fire Code NFPA 1, 2009 edition, as published by the National Fire Protection Association and as amended by the state board of fire control and ratified by the general court pursuant to RSA 153:5. The provisions of any other national code, model code, or standard referred to within a code listed in this definition shall be included in the state fire code unless amended in accordance with RSA 153:5.

RSA 153-A:2

VI. “Emergency medical services” means the pre-hospital assessment and treatment of a sick or injured individual initiated at the scene of an incident and continued through the transport and transfer, if found appropriate, of the individual to a medical facility or other appropriate location in order to prevent loss of life or aggravation of physiological or psychological illness or injury.

RSA 485:1-a

XV. “Public water system” means a system for the provision to the public of piped water for human consumption, if such system has at least 15 service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year. Such term includes (1) any collection, treatment, storage, and distribution facilities under control of the operator of such system and used primarily in connection with such system, and (2) any collection or pretreatment storage facilities not under such control which are used primarily in connection with such system. Any water system which meets all of the following conditions is not a public water system:

- (a) Consists only of distribution and storage facilities (and does not have any collection and treatment facilities);
- (b) Obtains all of its water from, but is not owned or operated by, a public water system; and
- (c) Does not sell water to any person.

RSA 485-A:2

IX. “Person” means any municipality, governmental subdivision, public or private corporation, individual, partnership, or other entity.

RSA 485-A:23

I. “Recreation camp” means any place set apart for recreational purposes for boys and girls. It shall not be construed to apply to private camps owned or leased for individual or family use, or to any camp operated for a period of less than 10 days in a year.

II. “Youth skill camp” means a nonprofit or for-profit program that lasts 8 hours total or more in a year for the purpose of teaching a skill to minors. Such camps include, but are not limited to, the teaching of sports, the arts, and scientific inquiry.

RSA 485-A:25-b Possession and Use of Epinephrine Auto-Injectors at Recreation Camps. – A recreation camp shall permit a child with severe, potentially life-threatening allergies to possess and use an epinephrine auto-injector, if the following conditions are satisfied:

I. The child has the written approval of the child's physician and the written approval of the parent or guardian. The camp shall obtain the following information from the child's physician:

- (a) The child's name.
- (b) The name and signature of the licensed prescriber and business and emergency numbers.
- (c) The name, route, and dosage of medication.
- (d) The frequency and time of medication administration or assistance.
- (e) The date of the order.
- (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.
- (g) Specific recommendations for administration.
- (h) Any special side effects, contraindications, and adverse reactions to be observed.
- (i) The name of each required medication.
- (j) Any severe adverse reactions that may occur to another child, for whom the epinephrine auto-injector is not prescribed, should such a pupil receive a dose of the medication.

II. The recreational camp administrator or, if a nurse is assigned to the camp, the nurse shall receive copies of the written approvals required by paragraph I.

III. The child's parent or guardian shall submit written verification from the physician confirming that the child has the knowledge and skills to safely possess and use an epinephrine auto-injector in a camp setting.

IV. If the conditions provided in this section are satisfied, the child may possess and use the epinephrine auto-injector at the camp or at any camp-sponsored activity, event, or program.

V. In this section, “physician” means any physician or health practitioner with the authority to write prescriptions.

RSA 485-A:25-f Possession and Use of Asthma Inhalers at Recreation Camps. – A recreation camp shall permit a child to possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, if the following conditions are satisfied:

I. The child has the written approval of the child's physician and the written approval of the parent or guardian. The camp shall obtain the following information from the child's physician:

- (a) The child's name.
- (b) The name and signature of the licensed prescriber and business and emergency numbers.
- (c) The name, route, and dosage of medication.
- (d) The frequency and time of medication administration or assistance.
- (e) The date of the order.
- (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.
- (g) Specific recommendations for administration.
- (h) Any special side effects, contraindications, and adverse reactions to be observed.
- (i) The name of each required medication.
- (j) At least one emergency telephone number for contacting the parent or guardian.

II. The recreational camp administrator or, if a nurse is assigned to the camp, the nurse shall receive copies of the written approvals required by paragraph I.

III. The child's parent or guardian shall submit written verification from the physician confirming that the child has the knowledge and skills to safely possess and use an asthma inhaler in a camp setting.

IV. If the conditions provided in this section are satisfied, the child may possess and use the inhaler at the camp or at any camp sponsored activity, event, or program.

V. In this section, “physician” includes any physician or health practitioner with the authority to write prescriptions.

APPENDIX C: CITED RULES

He-P 301.14 Immunization Requirements.

(a) The number of immunization doses, dosage, route of administration, spacing and age requirements shall be defined by the Recommended Immunization Schedules for Persons Aged 0-18 years – United States, 2008, as published by the Centers for Disease Control and Prevention (CDC) and as approved by the Advisory Committee on Immunization Practices (ACIP), the American Academy of Pediatrics (AAP) and the American Academy of Family Physicians (AAFP).

(b) No child shall be admitted or enrolled in public or private, primary or secondary schools or child care agency without showing documentation, as defined in He-P 301.01 (n), of having received age-appropriate and acceptable immunization in accordance with current department immunization requirements for the following vaccines:

- (1) Five doses of diphtheria, tetanus, pertussis (DTP), or diphtheria, tetanus, acellular pertussis (DTaP) vaccines, unless the fourth dose has been administered after the fourth birthday, in which case only 4 doses are required:
 - a. When pertussis vaccine is medically contraindicated, diphtheria-tetanus toxoid (DT) shall be substituted for DTaP vaccine;
 - b. When a child is between 7 and 10 years of age and requires additional immunizations to satisfy He-P 301.14(c)(1), tetanus-diphtheria toxoid (Td) shall be substituted for DTP, DTaP, or DT vaccine;
 - c. When a child is 11 years of age or older, and it has been 5 years or longer since the last documented dose of a tetanus toxoid containing immunization, the child shall receive a booster dose of tetanus, diphtheria acellular pertussis (Tdap) vaccine, except if the child has a medical contraindication to pertussis vaccine, in which case the child shall receive Td; and
 - d. For children 7 years of age or older, a minimum of 3 or 4 doses, with the last dose administered after age 4, of diphtheria, tetanus, pertussis (DTP), diphtheria, tetanus, acellular pertussis (DTaP), or Td vaccines, or a total of 5 doses;
- (2) Four doses of trivalent polio vaccine, unless the third dose of an all oral polio vaccine (OPV) or all inactivated polio vaccine (IPV) series has been administered after the fourth birthday, in which case only 3 doses are required;
- (3) One dose of measles (live), mumps, rubella (MMR) vaccine given at or after 12 months of age;
- (4) All students in grades kindergarten through 12th shall have received 2 valid doses of measles, mumps and rubella vaccine;
- (5) Three doses of hepatitis B vaccine for children born on or after January 1, 1993; and
- (6) For varicella vaccine:
 - a. All children entering kindergarten, first grade and sixth grade shall have received one valid dose of varicella vaccine; and
 - b. Beginning the 2009/2010 school year, all children entering kindergarten, first grade and sixth grade shall have received two valid doses of varicella vaccine.
