2011

Backflow Prevention Device Inspectors

The New Hampshire Department of Environmental Services does not certify backflow prevention device inspectors. It requires these devices to be inspected by certified inspectors and currently all inspectors in New Hampshire are certified by the New England Water Works Association (NEWWA). A listing of currently certified New Hampshire inspectors can be obtained from the NEWWA website at www.newwa.org.

For Additional Information

Please contact the Drinking Water and Groundwater Bureau at (603) 271-2513 or dwgbinfo@des.nh.gov or visit our website at <http://des.nh.gov/organization/divisions/water/dwgb/index.htm>. All of the bureau's fact sheets are online at <http://des.nh.gov/organization/commissioner/pip/factsheets/dwgb/index.htm>.
