

Licensed Asbestos Abatement Entities

New Hampshire Dept. of Environmental Services – Air Resources Division

September/2017

This list does not constitute an endorsement of those on the list, nor for any reason a statement against any firm not on the list. Those listed may or may not be able to perform the desired service. Contact should be made with several to determine the services that can be provided, experience, pricing, and any other specific requirements you may have.

The companies on this list may or may not be insured. NHDES recommends that you inquire as to the level and type of insurance carried by those companies listed here and that the license is current.
