

PUBLIC INPUT ON AOT RULES
PERTAINING TO THREATENED AND ENDANGERED SPECIES

Agenda – Public Input Session 1

August 27, 1-4 pm
(Including 15-minute break)

Location – Online Meeting

[Link to Meeting](#)

- Welcome and Purpose
- Background
- Presentations by NHDES and NHFG (current rules and review process)
- Discussion and Comments – Evaluating standards for review of potential impacts to Threatened or Endangered Species in the Alteration of Terrain Permit process which include the following topics:
 - *e.g.*, avoid, minimize, mitigate (wetlands model approach)
 - Geographic scope of assessment
 - Information/data requirements
- Recap of Session 1 and Planning for Public Input Session 2

Note: Interested participants should plan on attending for the entirety of the two public stakeholder meetings, to the extent possible, as they are intended to cover different topics and build upon each other.
