

Known Water Use Restrictions 2018

July 12, 2018

The below table includes a list of municipalities and/or water systems that have reported to NHDES that they have implemented voluntary or mandatory outdoor water use restrictions. For details regarding the specifics of the restrictions, please contact the entity listed in the table directly.

The list will be updated each Thursday by 4pm as long as dry conditions exist. Submittals shall be submitted to NHDES no later than Wednesday at 4pm to be included in the release of the list the following day. To add your water system or municipality to the below list, please fill out the electronic form at:
