

Help Prevent Pollution, Poisonings and Drug Abuse! Dispose of your Unneeded Medication

Take your unneeded or expired medication from your household to a drop box at a [local police station with a drop box](#). Additionally, the US Drug Enforcement Administration coordinates a [National Drug Take Back Day](#) almost 100 locations throughout New Hampshire. Additionally, [select Walgreens Retail Stores](#) have established medication disposal kiosks.

In addition to the options above, medicine from households can be disposed of in household trash using the following method:

- 1) Pour medicine into a sealable plastic bag.
- 2) If the medicine is a solid, add a small amount of water to dissolve it.
- 3) Add coffee grounds, kitty litter or something similar to the liquid medicine in the plastic bag.
- 4) Seal the bag and immediately dispose of it in the trash.
- 5) Use a marker to black out any personal contact information on the empty medicine container prior to disposing of it in the trash.
- 6) For more information, consult www.nh.gov/medsafety. Disposal information for household generated sharps may also be found on this website.

Do NOT flush medicine down the toilet unless accompanying product information instructs otherwise. Don't keep unneeded medications in the home.

A flyer with this information may be downloaded at www.nh.gov/medsafety.

For more information or in case of an accidental poisoning, call the poison center at 1-800-222-1222.
