

LEARN VIRTUALLY

EARN CEU CREDITS THROUGH FRANKLINTECH ONLINE

Are you in need of a virtual option for continuing education? Franklin Electric has you covered. Now available for New Hampshire pump installers, earn your CEU credits through FranklinTECH Online on-demand courses and videos.

Earning credits is easy.

1. Go to FranklinTECHOnline.com
2. Sign up or log in
3. Search for accredited courses and videos by title
 - a. Meters: Tips & Troubleshooting (0.5 credits)
 - b. Quick Tips: Residential Submersible Systems (0.5 credits)
 - c. Residential Submersible Systems Certification (3.5 credits)
 - d. Introduction to Variable Speed (0.5 credits)
4. Enroll and complete your selections
5. Submit your e-certificate of completion to your state association

You will receive an e-certificate upon completing each accredited course and video. You can also access your certificates by viewing the awards section of your profile.
