

# 2016, 303(d) List of Impaired Waters Requiring a TMDL

## Impaired Waters that Require a TMDL (303(d))

-  Slight Impairment, Marginal Condition
-  Slight Impairment, Severe Condition

## Not Impaired or Impaired but Does Not Require a TMDL

## Political Boundaries

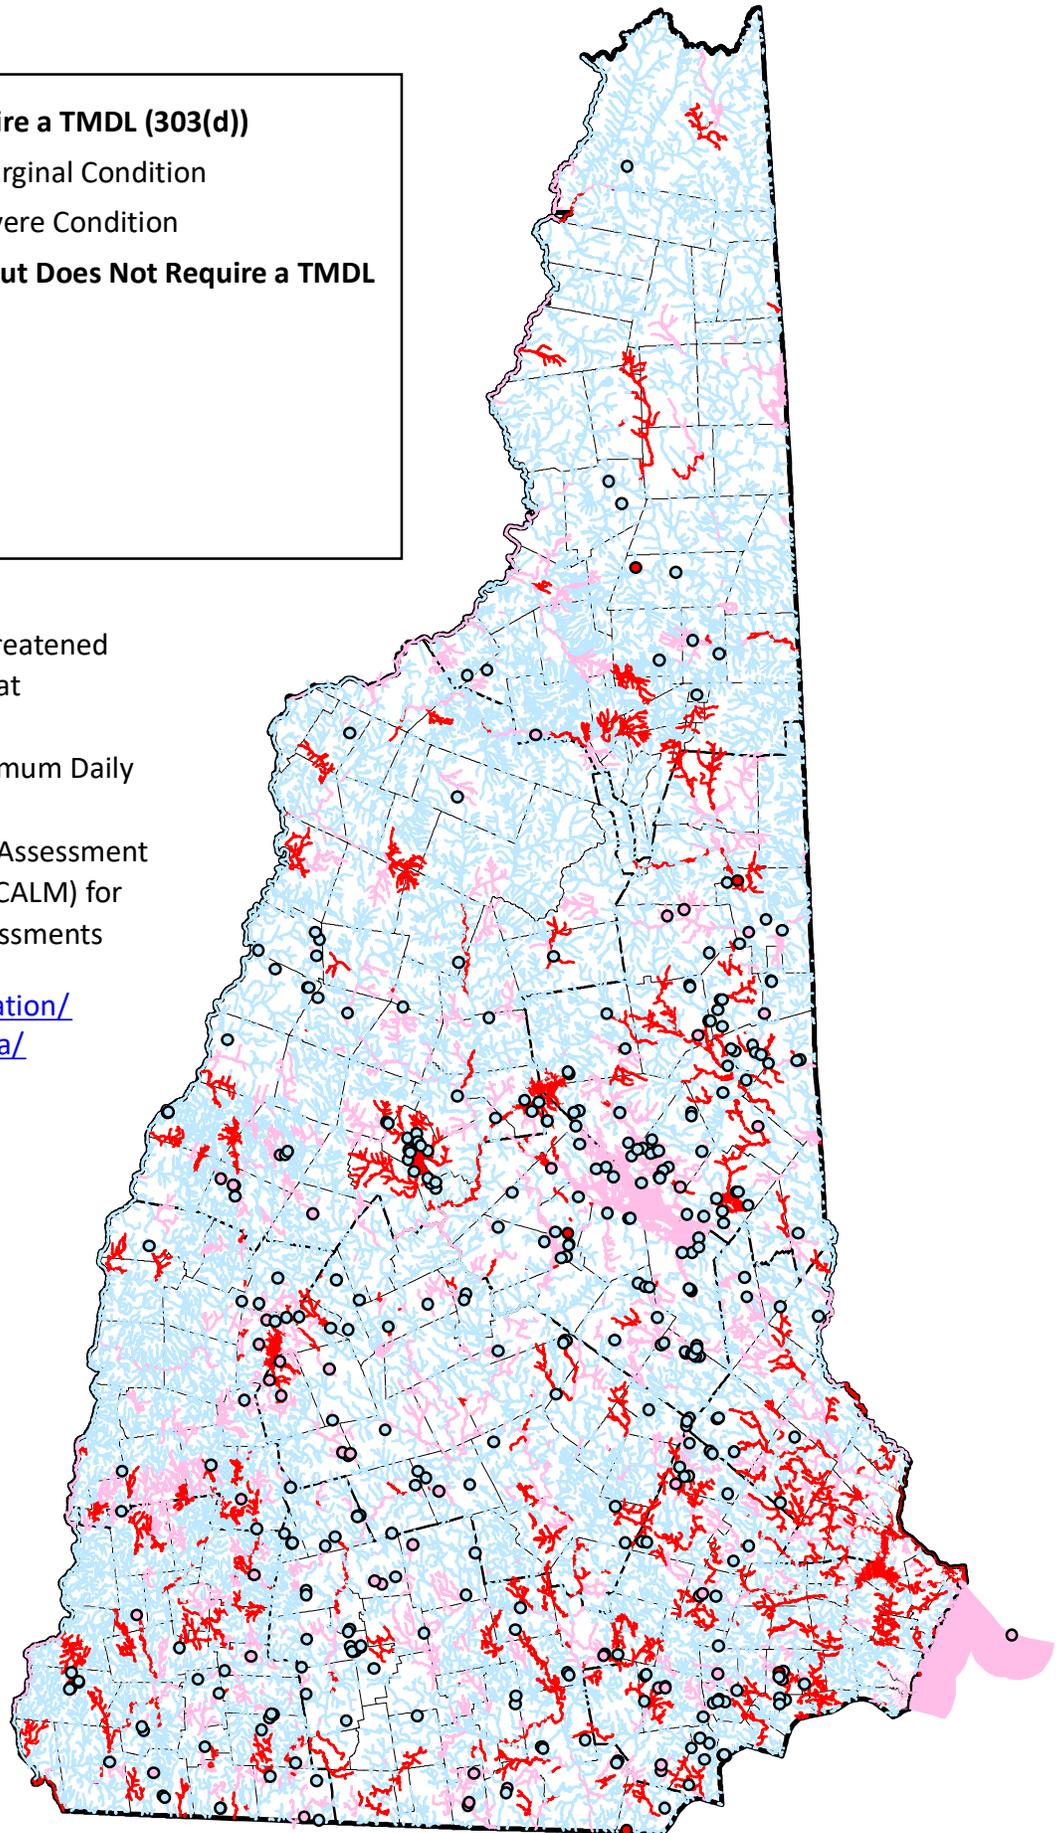

-  State boundary
-  County boundary
-  Town boundary

## NOTES:

1. This map does not show threatened and/or impaired waters that do not require a TMDL.
2. TMDL stands for Total Maximum Daily Load study.
3. See the 2016 Consolidated Assessment and Listing Methodology (CALM) for details regarding how assessments were made.
