

CERTIFICATE FOR DIRECT REUSE

as authorized by the
New Hampshire Department of Environmental Services, Waste Management Division (Department)
pursuant to RSA 149-M and part Env-Wm 318 of the New Hampshire Solid Waste Rules (Rules)

I. CERTIFICATE/WASTE IDENTIFICATION:

Certificate No.: DES-SW-CR-96-011

Certificate Holder (Generator) Name/Address: Hampshire Chemical Corporation, 2 East Spit Brook Road, Nashua, N.H. 03060-5737

Waste Type: HAMPORB (a mixture of calcium sulfate, calcium oxide, calcium carbonate and magnesium oxide)

Waste Generation Site: Hampshire Chemical Corporation, 2 East Spit Brook Road, Nashua, N.H.

Generation Rate: approximately 7,300 tons/year

II. FILE REFERENCE/RECORD OF APPLICATION:

Date(s) Received: July 25, 1996

WMD Log #(s): 1996-00360

III. AUTHORIZATION: Pursuant to Env-Wm 318, this certificate authorizes the GENERATOR (as identified in Section I above) to manage the WASTE TYPE (as identified in Section I above) as a marketable material, rather than as a waste, as specified below:

HAMPORB shall be utilized as an additive in sludges to control odors, or to provide solidification and bulk for dewatering purposes, as represented in the application cited in Section II above.

The generator shall accordingly disclose to all users of this waste-derived product the nature and content of the product and its proper usage under the terms of this certificate.

IV. EFFECTIVE DATE: From date of signature below.

V. AUTHORIZING SIGNATURE: This certificate shall be void if the process used to generate the waste changes or if subsequent analysis of the waste, for whatever reason, shows that it does not meet the requirements of Env-Wm 318.03(b) of the Rules. This certificate shall not apply if the waste is re-used for any purpose or in any manner not specified in Section III above or if any information cited by Section I or II above is false or erroneous.

BY EXERCISING ANY RIGHTS UNDER THIS AUTHORIZATION, THE GENERATOR HAS AGREED TO ALL TERMS AND CONDITIONS OF THIS CERTIFICATE. Failure to comply with the terms and conditions could result in civil or criminal penalties, suspension, or revocation of the certificate. No liability is incurred by the State of New Hampshire by reason of any approval of this certificate, nor does this certificate provide any endorsement by the Department for use of the waste derived product. Approval by the Department is based on information supplied by the applicant. No warranty/guarantee is intended or implied by reason of any advice given by the Department or its staff.

This certificate shall not eliminate the need to obtain all requisite federal, state or local permits, licenses or approvals, or to comply with all other applicable federal, state, district and local permits, ordinances, laws, approvals or conditions for the operation of the facility.

Philip J. O'Brien, Ph.D., Director
Waste Management Division
