

Bulk Water Haulers and Providers

The following list includes providers that have signed off that they are able to comply with the bulk water rules, Env-Dw 304, *Emergency Bulk Water Supply for Public Water Systems*, and would like to be listed on the NHDES fact sheet as an available bulk water provider. Please note these providers are not licensed or inspected by NHDES. Other providers not listed below can be used as long as they meet the requirements of Env-Dw 304.

***Disclaimer:** This list of vendors does not constitute an endorsement of business products or services by the NH Department of Environmental Services (NHDES), nor is the list exhaustive. NHDES is publishing a list of vendors in an effort to further public awareness of vendors identified as possible contacts for purchase of bulk water for drinking water purposes. Bulk water haulers interested in being on this list may contact NHDES at dwbulkwater@des.nh.gov or (603) 271-0867.
