## Firms Offering Contract Operator Services for Small Public Water Systems in New Hampshire

Following is an alphabetical listing of firms and individuals certified to provide contract operator services to small community and non-transient non-community public water systems in New Hampshire. These firms provide a predetermined level of services for a set fee per month or year.

New Hampshire operator certification requirements are established by Administrative Rule [Env-Dw 502](#).

**Inclusion on this list does not imply NHDES endorsement.** Please notify the Drinking Water and Groundwater Bureau of any necessary corrections to this list at [dwgbcertop@des.nh.gov](mailto:dwgbcertop@des.nh.gov) or [\(603\) 271-2410](tel:603-271-2410).
