LEGEND

X = Fire Extinguisher
A = Alarm Location
S = Storage Area
= Satellite Storage

EVACUATION ROUTES:
Primary = 
Secondary =
Env-Hw 509.02(b) Each full quantity generator shall post a list of the steps to take if an emergency occurs and the following emergency numbers at the nearest telephone to each hazardous waste storage area:

(1) The emergency coordinators, home and office;

(2) The fire department, police department, hospital and state of New Hampshire and local emergency response teams that may be called upon to provide emergency services, unless the facility has a 24 hour response team designated to provide emergency services whose number is posted; and

(3) The location of fire extinguishers and spill control material and, if present, fire and internal emergency alarm.
