

Attention Air Permit Holders – April 10, 2020

ATTENTION: THE DEADLINES FOR THE CALENDAR YEAR 2019 EMISSION STATEMENTS AND ANNUAL EMISSION FEES HAVE BEEN EXTENDED.

WHEN: Emission Statements (including NO_x and VOC Emission Statements) for calendar year 2019 are now due by **May 15th (30-day extension)**. NHDES recommends that you submit these Statements electronically at AirEmissions@des.nh.gov. Payment of the **Annual Emissions Fee** must now be received by **June 15th (30-day extension)**.

WHY: With all the precautions being taken by everyone in order to slow the spread of the Coronavirus (COVID-19), NHDES is granting a 30-day extension to each of the aforementioned deadlines in order to give facilities more time to prepare these reports and payments. Should you have any questions, please contact Mr. Newton Strickland at (603) 271-1370 or newton.strickland@des.nh.gov. Since NHDES staff will not be immediately available to receive telephone calls, it is preferred that contact be made by email, but voicemail messages will be returned as soon as possible.
