## Asset Management Services for New Hampshire Public Water, Wastewater and Stormwater Systems

This is a partial listing of firms that offer professional Asset Management services to New Hampshire public water systems, as well as wastewater and stormwater systems. *Listing does not imply endorsement by NHDES.* Contact [dwsustainability@des.nh.gov](mailto:dwsustainability@des.nh.gov) for updates or additions to this list.

Please note that to maintain compliance with funding for Clean Water programs (wastewater and stormwater), consulting services must be procured using a Qualifications Based Selection process as described in Env-Wq 509.04.
