PART Env-A 1703 FORM ARD-1, GENERAL FACILITY INFORMATION

Env-A 1703.01 Form ARD-1, General Facility Information. An applicant for any type of permit other than a permit-by-notification shall submit:

(a) A completed Form ARD-1, "General Facility Information" dated September 9, 2019, including a signed certification that the applicant:

- (1) Has right, title, or interest in all of the property that is proposed for development or use because the owner or operator owns, leases, or has binding options to purchase all of the property proposed for development or use;
- (2) Is authorized to make the application on behalf of the affected source or affected units for which the application is made;
- (3) Has personally examined, and is familiar with, the information submitted on and with Form ARD-1 and any forms and attachments submitted pursuant to (b), below;
- (4) Based on inquiry of those individuals with primary responsibility for obtaining the information, believes all submitted statements and information to be true, complete, and not misleading to the best of the applicant's knowledge and belief; and
- (5) Is aware that there are significant penalties for submitting false statements and information or omitting required statements and information, including the possibility of fine or imprisonment;

(b) Any additional forms required by Env-A 1704 through Env-A 1710;

(c) For sources subject to title IV of the Act, the nationally standardized forms for the acid rain portions of the title V operating permit application, pursuant to 40 CFR 72.30;

(d) A compliance schedule that:

NEW HAMPSHIRE CODE OF ADMINISTRATIVE RULES

- (1) Incorporates the requirements of, and is at least as stringent as, that contained in any judicial consent decree or administrative order to which the source is subject;
 - (2) Is supplemental to, and does not sanction non-compliance with, the applicable requirements on which it is based; and
 - (3) For sources subject to title IV of the Act, apply to and be included in the acid rain portion of a compliance plan for an affected source, except as specifically superseded by regulations promulgated under title IV of the Act with regard to the schedule and method(s) the source will use to achieve compliance with the acid rain emissions limitations;
- (e) A site plan to scale of the facility showing:
- (1) The locations of all emission points;
 - (2) The dimensions of all buildings, including roof heights; and
 - (3) The facility's property boundary;
- (f) A copy of the USGS map that shows the facility's location; and
- (g) Any applicable fee specified in Env-A 700.
