

**NOTICE OF  
PUBLIC INPUT SESSION  
ON PROPOSED CHANGES TO SOLID WASTE RULES**

**ENV-SW 804 LANDFILL SITING REQUIREMENTS**

The New Hampshire Department of Environmental Services, Waste Management Division (NHDES) is hosting an online public input session to request public input regarding the New Hampshire Code of Administrative Rules for Solid Waste Management, namely, Env-Sw 804, Landfill Siting Requirements. This public input session is being held **in advance** of the formal rulemaking process and will include a brief discussion of the existing rules, and opportunity for public input. An online public input session was held in March to request public input regarding the remainder of Env-Sw 800, Landfill Requirements. Recordings of all previous sessions are located on the [NHDES YouTube channel](#).

The public input session will be held online using GoToWebinar on Wednesday, July 19, 2023, at 1:00 PM. Register for the session using this [registration link](#). Instructions on using GoToWebinar will be provided during the input session.

The New Hampshire Solid Waste Rules are available electronically [on the NHDES website](#).

Comments may be submitted in writing to NHDES at any time before August 4, 2023, at 4:00 PM, in lieu of attending and/or providing comments at the public input session. Please submit comments using either NHDES' mailing address below or by email at [swmbrules@des.nh.gov](mailto:swmbrules@des.nh.gov). Please note that there will be future opportunities to provide public comment during the formal rulemaking process.
